Debate Squad
Meets Team
From BeloitNo-Decision Arguments Held At
West Allis and Wau-
wautosa

Meeting Beloit's negative team in two no-decision debates before audiences in Wauwautosa and West Allis yesterday, the Lawrence affirmative team, composed of Arthur Mueller, '29, William Verhage, '28, and Gordon Clapp, '27, finished its season of no-decision debating before Wisconsin audiences.

The debate at Wauwautosa, which was held yesterday afternoon before the high school students, was the first meeting of the two teams this year. Good arguments were advanced by both sides, the clash in constructive as well as rebuttal work being very lively.

The West Allis debate last night was another close contest, and the rebuttal work was even closer than that of the afternoon. The audience, composed of high school students and townspeople was very appreciative, and much commendation of the speakers from both schools were heard.

The affirmative team will debate teams from St. Olaf's College of Minnesota and Cornell College of Iowa next week, and later on both Lawrence teams will engage in a dual debate with North Central College of Naperville, Illinois.

Spring Signs Are
In Evidence On
The Campus Paths

Do you remember the songs you sang about this time of the year back in the eighth grade? "Spring comes tripping o'er the pur-pul hills with v'lets in her hair"—or words to that effect. The general impression being, of course, that spring comes dancing, dainty and fragile.

It might have been true in the little red school house days, but not on Lawrence campus. Here the season comes, and we recognize its advent by signs that are far from aesthetic.

The windows of Brokaw are wide open, and their curtains flap in the wind. The co-eds are relinquishing their raccoons for leather jackets, and their ubiquitous felt hats are being replaced by black and white creations. New gray suits topped by hatless heads stroll slowly in the sunshine. In the gym, a female Casey bats fiercely at a foul, and in the streets in front of the fraternity houses, the campus Greeks are playing ball. The Brokawites are sunning themselves on the steps of the Presbyterian church, the short-cut to Science Hall is black and goosy, the faculty is skipping chapel. Spring is here.

'La Grammaire' Presented
By Le Cercle Francais

"La Grammaire", a one act comedy by Labiche, was presented by Le Cercle Francais to a capacity audience Tuesday evening at 8:00 o'clock in the little auditorium of the Memorial chapel. Members of the cast included Leone Palmbach, '27, Ethel Blake, '29, Arthur Lein, '30, Ormond Capener, '29, and Harold Cripe, '28.

Before the play, there was a musical program consisting of vocal solos by Pearl Felton, '28, and violin selections by Persis Schneek, '29, and Leila Boettcher, '30. Eunice Davis, '28, read a monologue, and Amy Howser, '28, gave a synopsis of the play in English.

Speaks to P-T Association

Professor James Mursell spoke to the Parent-Teacher's association of Appleton, Monday night on "Schools in Relation to Health."

Ruby Brown Elected
President Of Ormsby

Ruby Brown, '29, was elected house president of Ormsby at the last house meeting. She replaces Mildred Scott, '28.

Dorothy Schwarting, '30, was elected member-at-large, and Frances Gibson, '29, was elected head proctor. Last year Ruby Brown was member-at-large, and Vera Wilkeson, '28, was head proctor.

Theta Sigma Phi To
Initiate Associate
Members SaturdayMiss Olga Achtenhagen and Mrs.
Margaret K. Banta To Be
Honored Saturday

Miss Olga Achtenhagen and Mrs. Margaret K. Banta will be initiated Saturday as associate members of Theta Sigma Phi, national honorary journalistic sorority. Association membership in this organization is recognized as a high honor in the journalistic field. Dorothy Ralph and Helen Diderich, both '27, will be initiated as active members.

Miss Achtenhagen who is well known on the campus as an instructor in English composition and journalism, was graduated from Lawrence in 1920 and received her A.M. degree from Columbia university. While at Lawrence she was active as a member of Kappa Delta, president of W.A.A., a member of the "Y.W." cabinet, the student senate and the Ariel board and was chosen as the best loved girl in the Ariel election as well as one of the May Queen's attendants. She was, before coming to teach at Lawrence, head of the English department of the Appleton high school.

She is now editor of the Angelos, national publication of Kappa Delta, and a member of the national council of that sorority. Miss Achtenhagen is the author of a number of educational articles which have appeared in the Educational Review, Elementary English Review, Elementary School Journal, English Journal, and Education, and she has also written several pageants. Her poems have been published in the New York Times, Education, the Ladies' Home Journal, The Oracle and the Magazine of Poetry.

Mrs. Banta attended Smith college and the University of Chicago and will receive her A.B. degree from Lawrence this year. She specializes in children's articles and has had stories published in John Martin's, Little Folks, and a poem in the "Child's Garden of Verse." She is assistant editor of Banta's Greek Exchange, and district president of Kappa Alpha Theta sorority. Both Mrs. Banta and Miss Achtenhagen had poems in "Ships", the anthology of Lawrence poetry compiled by the local chapter of Theta Sigma Phi.

After the initiation, which will be conducted by the members of the local chapter of Theta Sigma Phi, a banquet will be held at the Candle Glow tea room.

'My Lady Dreams' Is
Played For Sunset

"My Lady Dreams" by Eugene Pillot was presented at a meeting of Sunset Players Monday night. Lucille Smith, '27, directed the play; she was assisted by Gladys Rydeen, in charge of costumes, and Irene Elker, make-up.

The cast follows: My Lady, Ione Kreiss; Little Old Lady, Helen Chegwinn; Two adorable children, Helen Upham, Lucille Smith; The Scarlet Woman, Verel Knaup; Maid, Jean Jackson.

It was decided at the business meeting to have an open meeting of the organization March 16.

Dr. H. Crane
Is Known As
Able SpeakerHas Lectured At More Than
Fifty American
Colleges

"One of the finest, most interesting, and most effective college speakers in the country", is the reputation of Dr. Henry Hitt Crane of Malden Center, Mass., who will address the student body at convocation three days next week, on Wednesday, Thursday and Friday. In addition to these talks before the Lawrence students, Dr. Crane will deliver a series of four evening lectures on March 15, 16, 17 and 18, at the Memorial chapel.

A man of engaging personality, according to those who have met him, Dr. Crane has spoken within recent years before more than fifty American colleges, thus earning his reputation as one of the foremost speakers before students in the country. He is a son of the late Charles A. Crane, and a nephew of the famous Dr. Frank Crane, with whom he recently made a trip around the world.

Born in Colorado, Dr. Crane received his elementary education at the Boston Latin school, one of the oldest public high schools in the United States. He graduated from Wesleyan college in 1913, with a splendid record in activities. He was all-New England guard on the college basketball team, took a leading part in the college dramatic organization, was a member of the tennis team, leader of the glee club, and varsity football manager.

After completing his college work, Dr. Crane entered the Boston University School of Theology, after which he accepted a parish in Gorham, Maine. He was abroad during the war, and in his service as chaplain had some thrilling war experiences. On his return to this country he became pastor of the Malden Center Methodist Episcopal church, a post he still holds. This church is one of the largest Methodist churches in New England, it is said.

None of Dr. Crane's subjects for next week's addresses have been announced. Convocation time on Wednesday, Thursday and Friday will be lengthened.

Corbett Tells Value Of
Chamber Of Commerce

To build a city industrially, socially, agriculturally and commercially, and at the same time to maintain a well-balanced city is the task that is undertaken by a Chamber of Commerce, according to Mr. Hugh Corbett, secretary of the Appleton Chamber of Commerce. Thus, the realization of the importance of the position of the chamber of commerce secretary has resulted in the institution at the University of Illinois of a course for commercial secretaries.

The old idea of paying bonuses to industries that locate in a city has been discarded and more attention is given to the value to the city which that industry may have in the future. At present the Appleton Chamber of Commerce has a number of committees that are working for co-operation between retailers, others for a better understanding between city men and farmers, and still others are concerned with community welfare.

Sunset Tryouts For Men

Miss Lucille Welty announces that tryouts for men candidates for Sunset Players will be held on Monday and Tuesday, March 21 and 22. The exact hour will be announced later. Candidates may prepare to read short selections of their own choice, or selections will be supplied.

Placement Bureau
Calls For Teachers

Sixty-five members of this year's graduating class have signified their desire to teach by enrolling with the Committee on Appointments, or teachers' placement bureau of Lawrence. Dr. R. B. Thiel is chairman of this organization.

Calls for teachers are almost daily occurrences in Dr. Thiel's office, but most of these are preliminary in character. Selections will probably start in a few weeks.

It is desirable that applicants file photographs with their credentials. Small unmounted photographs, about two inches by three inches are preferred. Schedule cards are also requested. All who have not already attended to these matters are requested to call at room 36, Main Hall, on any afternoon, except Saturday, between the hours of two and four.

Conservatory Students
To Present Recital

Ten students of Dean Carl J. Waterman will be presented in recital Monday evening at 8:20 at Peabody Hall.

Those who will sing are Madge Helmar, Dora Eflin, Eleanor McKibbin, Margaret Boslough, Lucille Langer, Ernestine Johnson, James Archie, Richard Teela, Franklin La Fevre, and Norman Knutson.

Student Relief Worker
To Speak To Students

Mr. Conrad Hoffman, director of European Student Relief, Geneva, Switzerland, will speak to Lawrence students at Convocation Tuesday morning.

Tuesday noon Mr. Hoffman will be entertained at a luncheon at Russell Sage at which the Y.M.C.A. and Y.W.C.A. cabinets and World Fellowship committees will be present.

Mr. Hoffman is known internationally for his remarkable work in the promotion of international student friendship.

In a vote recently held at Stevens Point normal, Thelma Kroll, ex-'28, was elected the most popular girl in the school. She is a member of the Lawrence chapter of Zeta Tau Alpha sorority.

Dr. Naylor Discusses
Ten Laws For Living

"The ten commandments for living, as advocated by Dr. William L. Stidger, pastor of the Methodist Church of Kansas City, are simple and pointed enough to apply to us all," said Dr. W. S. Naylor in convocation Wednesday.

Dr. Naylor read Dr. Stidger's decalogue, which included such commandments as "Thou shalt keep the Sabbath happy and not heeie." Dr. Naylor also gave the ten commandments for adults in their treatment of "flaming youth."

"Remember, sin is old stuff, and you aren't discovering anything new in sinning," concluded Dr. Naylor. "A law should be profitable for the individual and for the society in which he lives."

Schola Cantorum To
Present Program In
Methodist ChurchSongs Of Rubenstein Will Feature
Vesper Services—Eighty
To Take Part

Eighty members of the Schola Cantorum will present the program of the vesper services at the Methodist church Sunday afternoon at 4:30. Those who will take part are the members of Dean Waterman's class in choral ensemble, assisted by the glee club and a selected group of girls from the Schola Cantorum.

The numbers to be presented are attractive and quite unusual. A group of songs by Rubenstein composed in Oriental style will be a feature of the program.

Students Hear Record
Of Gas Bombardment

The snap of an officer's command, the shriek of shells, and the booming of big guns were vividly presented to the Wednesday convocation audience when Prof. John R. Frampton presented a series of unusual phonograph records.

The war record was an actual impression of gas shell bombs, released by the Royal Garrison Artillery in October, 1918, preparatory to the advance of the British into Lille. Even the whine of the departing shell, inaudible to the human ear, was brought out on the record.

A brilliant example of a pianist playing with an orchestra was brought out by some selections of the late DeGreef, accompanied by a London orchestra. He played the following pieces: "Concerto" from Cesar Franck, "Scherzo" and "Taran-telle" from Saint-Saens, and "Hungarian Fantasy" from Liszt.

Delta Gamma Dinner
For Pan-Prex Group

Pan-Prex was entertained by Delta Gamma at a dinner Wednesday evening at the sorority rooms, 726 East College avenue.

A discussion was held concerning the visit of Rev. Henry Hitt Crane who will be in Appleton March 15, 16, 17 and 18. President Wriston urged the organization to interest their sorority groups in the work of Dr. Crane. The interest being developed on the campus in questions of religion and ethics was also discussed briefly.

Andersen and Hardt
Speakers At Wausau

Anders P. Andersen, '02, alumni secretary, and Dan Hardt, '26, were speakers at the banquet of the Lawrence Alumni club of Wausau, which was held at the Hotel Wausau Wednesday evening. After the speeches, the group had a round table discussion about various problems confronting the college.

Senate Argues
On Forms Of
GovernmentDiscuss Merits Of City Manager
and Pure Democracy
Government

The city manager form of government such as is employed at the University of Illinois, was again the problem of discussion at Student Senate meeting Tuesday evening.

Under this plan, the student senate would consist of two or more representatives elected by each organization active on the campus—the Lawrence board, the Ariel board, the forensic and athletic boards, Pan Hellenic, Interfraternity council, "Y.M.", "Y.W.", W.S.G.A., non-Greek girls, and non-Greek boys. At the University of Illinois this senate elects the All-College club officers, picking them either from the senate or the college at large. The question of the advisability of placing so great a power in the hands of the student senate was the chief point of discussion at the meeting.

A second plan of government, that of a pure democracy, was also discussed. According to this plan the activities of the student senate would be extremely limited, consisting chiefly in the enforcing of Lawrence traditions. Under a pure democracy, the entire personnel of the boards of control would be elected by the student body instead of by the boards. The discussion here centered on the question of whether or not the students would use their votes intelligently and take into consideration the qualifications of the candidates.

It is the object of the revision committee to work out a constitution which will provide for a student senate sufficiently representative to be actually self-governing whenever the administration sees fit to give it those powers.

Aching Tendons
Are Aftermath Of
"Natural Dancing"

Following a violent attempt to be natural, a number of coeds were trailing about the campus last week in a decidedly halting fashion. Dancing, has become almost an impossibility, and the reason seems to lie in the natural dancing classes participated in by a large group of girls.

Natural dancing is an attempt to "be yourself" in bare feet, clad in a Grecian costume. With a piano for accompaniment, and a floor reasonably devoid of slivers, the natural dancer hops and jumps around like a stock report in its native habitat, the purpose apparently being to charm a number of persons of aesthetic sensibilities.

Nevertheless, such hectic movement brings a corresponding reaction, and the coeds who leaped too high the first night, are now nursing strained muscles, tendons, and fibres with Sloan's liniment, and other household remedies. Rub downs have taken the place of evening exercises in several dormitory rooms, and the coed who spends Tuesday and Thursday evenings springing about the floor of the Alexander gymnasium, often spends the greater part of Wednesday and Friday mornings trying to get out of bed.

But the most obstinate of pains eventually wears itself out, and following the most recent outburst, remarkably few strains were reported. Perhaps the coeds are limbering up, and are able to spend Tuesday and Thursday nights in picking splinters out of their feet, rather than for applying liniment. Before spring even the feet may be hardened.

STUDENT SENATE AWAKE

Student Senate meetings these days have all the earmarks of a lively class in American government. New plans for student government on the Lawrence campus are presented at each meeting, and a complete analysis made. Tuesday night's meeting centered around a discussion of the city manager plan which is functioning at the University of Illinois.

The city manager system, in brief, is a plan by which almost complete power is vested in a student senate composed of one or two representatives from each student activity on the campus; i.e., on the Lawrence campus, the Lawrentian, Ariel, Forensic and Athletic boards, PanHellenic, Interfraternity council, "Y.M.", "Y.W.", W.S.G.A., and the non-Greek organizations. This senate chooses the All-college club officers, either from their own membership or from the student body at large.

Although on the surface this plan seems quite feasible, the objection was raised that this would be giving the senate too much power, and further, that there would be an unavoidable duplication of representation on the senate; that is, some students would be represented on the senate by several persons. For instance one girl would be represented by the PanHellenic, the W.S.G.A., the W.A.A. and perhaps the "Y.W." representatives, whereas another girl might be represented by only the W.A.A. and W.S.G.A. representatives.

Another plan presented Tuesday night was that of a pure democracy, with all elections uniform and resting in the hands of the student body. This brought up the point, however, that there are one or two organizations on the campus now which have proved, by their records of remarkable efficiency, the advisability of having some activities controlled by a smaller body. The example around which the discussion centered was the Lawrentian board of control. Under the plan of a pure democracy, the editor, news-editor, headline writer and make-up man, and copy editor of the Lawrentian would be elected by the student body at large, a set of qualifications being the criterion by which the candidates would be judged.

The first objection raised to this was that, because the Lawrentian board of control is a system which has stood the test of years, an organization which functions with the utmost efficiency, it would be inadvisable to bring about a change. Another objection was that the Lawrentian editorship, being a job of an almost professional nature, is a position which can be filled only by persons who have had careful training and a certain amount of experience in that field.

Editorially, we feel that it would be folly to undermine, through an attempt to establish a so-called pure democracy, an institution which has proved beyond a doubt its ability to function efficiently, an organization which is not saturated with politics, a body which has been free from student criticism. Further, we would advocate that the Ariel, an organization which has in the past lacked the efficiency and organization which characterize the Lawrentian, be placed under the same kind of management.

According to all external indications and etcetera, this should be our Spring Number, but since our last issue of that nature was so disastrous—it having snowed the following day—we decided that this issue would be "just another of these #&#* Dustpans".

"Yes," says the Exchange Editor, "spring is coming, and mother's little lambs will soon be gamboling on the college green."

"Yeah," says Filbert, "but don't mis-spell that twelfth word. We don't play poker on the grass."

Says the headline—
MACE CHOOSES
NINE SENIORS
FOUR JUNIORS

Count 'em—one, two, three, four, five. Say, who's seeing double around here anyway?

And another headline imparts the startling information that "Blues Lose and Win in Final Games." Why limit it to just the FINAL games?

Not to be out-done by the sporting department, the Dustpan hereby and herewith picks its all-conference team:

Heideman F

In justification of our choice, which we feel will not be the unanimous choice of all critics (due, we feel, to prejudice), we point to their type of play, which was exceeded only by their extreme hard luck.

Unusual as Professor Frampton's program in chapel was, we cannot say that it was a record-breaker.

AND WHAT DOTH THE FAIR OPHELIA?

The reporter with the "infirmary run" brings in the startling story that three freshmen are "convalescing with tonsillitis at the infirmary."

Track Squad Begins Training For Spring Cinder Path Work

Squad Is Strong In Weights, But Weak in the Short Dashes

With the basketball togs safely packed away until next season Coach Christoph is now turning his attention to the trackmen.

Captain Hipke has been in charge of the preliminary training for this spring, and has completed the first part of the training program in the gym. Setting up and muscle straining exercises have loosened the kinks in the legs of the Mercuries and the arms of the Atlases.

The outstanding veteran in the squad is Captain Hipke, who holds the conference shot-put record. With a year of record-breaking performances behind him, he should have a good season ahead. Supporting him in the weights will be Artz, who scored in several meets last year, and several other possibilities such as Jessup, Kronen, and Barnard.

Although the Blues make a strong bid in the weights, they are shy of dash men. The Hyde twins take care of the hurdles and the longer dashes, but men for the hundred are as yet unproved. Kingsbury, Purvis, Rohan, Wolf, and several others bid fair to strengthen the distances.

Forty men are reporting at the tri-weekly sessions, but more can be accommodated.

If the weather continues as it is at present, the Blue will be able to begin outdoor training several days earlier than last season. This will mean a distinct advantage in conditioning the men.

Several meets have been booked, and the Marquette meet looms as the toughest of the season.

But if Coach Christoph can develop a few dash men, Lawrence should stand a fair chance of copping the title.

Lawrentians Undergo Serious Operations

Two Lawrentians underwent operations for appendicitis this week. Bertrand Andrew, '30, Pulaski, was operated upon at St. Elizabeth's hospital Sunday night, and Ora Zuelke, '30, Appleton, was operated on Tuesday. Both are improving nicely.

Three tonsillitis patients are convalescing at the infirmary. They are Toivo Lahti, Iron River, Michigan, Robert English, Oconto, and Dorothy Daiey, South Bend, Indiana, all '30. Bernice Brown, '30, Madison, who was ill at the infirmary last week, resumed her college work Thursday.

Rifle Team Loses Match With DePauw

The Men's Rifle team lost their match last Saturday with the strong DePauw aggregation. The score was 3263-3676.

For many year DePauw has had an E.O.T.C. on their campus, with shooting as a required part of the curriculum. An officer of the United States army is stationed at DePauw, and is paid by the University for coaching the students in shooting and military training. Largely because of these advantages, the DePauw rifle team ranks among the best in the country.

Herick again did the best work for Lawrence with a score of 357, leading Mackenzie, who comes next, by 14 points.

Individual scores were: Lawrence: Herick 357, Mackenzie 343, Warner 329, Welch 329, Buchanan, R. 327, Kittleson 325, Artz 320, Buchanan, E. 313, Wright, H. 311, Miles 309. DePauw: Golden 383, Ramsey 380, DeLong 377, Wanegar 375, Nichols 368, Murray 366, Ellis 359, Sharp 357, Ketchum 356, Puend 355.

D. I.'s Win Bowling Trophy From Phi Kaps

Before a crowd of yelling Greeks and with the championship trophy at stake, the Delta Iota bowlers emerged victorious over the Phi Kaps after four of the most exciting games ever bowled on the Elks alley.

It was a nip and tuck affair all the way, and although the second and last games were the deciding ones of the series, the first and third were won by easy margins. In the second game it was necessary for the D.I. anchor man to strike in order to tie the game, and that made the series go an extra game. The last game was also decided by the last ball bowled, for the Phi Kap anchor man ran into a split.

Although this gives the D.I.'s the championship trophy, the points for first place are divided between the two teams, for they finished the season in a deadlock.

Russell Kuchmstead, ex '11, who is employed in Chicago, visited with Theta Phis, Saturday.

After a week of great enthusiasm and keen competition, class bowling teams were selected Wednesday night. Twenty sophomore girls bowled and three teams were chosen from these, the seniors have two teams, and the juniors and freshmen have only a quintet. The sophomores, as the only class having the greatest number of teams, will receive five points more toward the Wisner cup.

Monday at four o'clock at the Y.M.C.A., the sophomore and senior second teams will clash for the second team championship, and the winning class will receive ten points toward the cup. Spectators are welcome at these games.

Individual scores of over 130 were: A. Howser, 133; M. Lockard, 135; M. Feller, 140; M. Grignon, 157.

The personnel of the teams is as follows:

Freshmen—K. Howser, E. Johnson, I. Fullerton, H. Ziegler, E. Lundahl.

Sophomores—First team: M. Lockard, M. Feller, H. Upham, F. Everest, M. Buritz. Second team: H. Fredrickson, G. Smith, E. Niess, G. Bank, M. Duxbury. Third team: A. Koehler, G. Cohen, A. M. Perschbaeker, D. Dana, I. Langer.

Juniors—M. Grignon, A. Houser, E. Erickson, J. Jackson, I. Betha.

Betas Win Greek Free Throw Contest

Before a large group of spectators, the Betas copped the foul throwing contest held at the gym last Tuesday evening by tossing in 62 out of 100 free throws. They were closely followed by the Thetas and Phi Taus, who scored 61 and 60 free throws respectively.

The fraternities finished in the following order: Betas, Thetas, Phi Taus, Phi Kaps, Delta Sigs, Psi Chis, D.I.'s and Sig Eps.

Dave Johnston was high man with 22, followed closely by Herb Ungrodt, who caged 21. Other men who were well up in the scoring were Hill, with 20; Manser, 19; Peart, 18; Pierce, 18; Rimmel, 18; Farwell, 17.

Briese Leads Scoring On Lawrence Squad

"Pete" Briese, all-conference guard and last year's captain, led the Blues in scoring for this season, both in field goals and in free throws. "Snookie" Heideman was just two baskets behind him, and Sund placed third.

The points scored by each of the men are:

International Review Received In Library

A new review of international affairs, "L'Esprit International", has just been received by the college library. The magazine will be published quarterly as a part of the Carnegie endowment's work in educating public opinion and in providing "accurate and unbiased information as to current international events."

Among the contributors to the first number are Dr. Nicholas Murray Butler, President of the Carnegie Endowment, who discusses "The State as a Moral Person", and Thomas Mann, author of "Buddenbrook", who describes "The Spiritual Tendencies in Germany Today." Pierre Renaudin of the University of Paris is the managing editor of the review.

Bendt, Appleton, on Wednesday. A dinner in the Blue Room of the Conway hotel followed the service. Mr. Bendt gave the speech of the evening.

Psi Chi Omega held initiation services on Monday for Arthur Schmidt, Brillion, and Charles Petersen, Weyauwega, both '30. A smoker at the fraternity house followed the initiation.

Thetas Threaten Lead In Greek Sport Race

With the completion of foul throwing and basketball, the standing in the interfraternity race has changed considerably. The D.I.'s are leading by the scant margin of three points over their closest opponents, the Theta Phis.

The numerical standings of the fraternities are as follows:

D. I.	338
Thetas	335
Phi Kap	231
Betas	217
Sig Eps	83
Phi Tau	60
Psi Chi	50
Delta Sig	45

There still remain the Medley Relay, tennis, and baseball contests, which will decide the winner of the "Big Cup". Indications are that baseball will again be the deciding factor as it was last year.

Miss Lorenz Speaks At "Y. W." Meeting

Centering her talk around the idea "What does, what knows, what is three souls, one man" by Browning, Miss Charlotte Lorenz spoke at the weekly meeting of the Y.W.C.A. at Hamar house on Thursday evening. She stressed the possibility of leading a purposeful and happy life in spite of all the conflicting tendencies of the day.
